**TUESDAY, MAY 15, 2007**

8:15 am - 8:45 am	Continental Breakfast		
8:45 am - 9:00 am	Director's State of the Division		
9:00 am - 10:30 am	<p><b>Keynote Address: Norma Ginther</b>  <b>The Expressway to Permanency</b></p> <p>This workshop is designed to take a fresh look at family contact during placement in out-of-home care. Research shows the greatest success of a return home is based on frequent, well-planned, family contact, not always the completion of the case plan. Family contact is a planned therapeutic intervention, which supports and enhances attachment. This workshop will also cover roles and responsibilities of all involved parties.</p> <p><b>(Auditorium)</b></p>		
10:30 am - 10:45 am	Break		
10:45 am - 12:15 pm	Norma Ginther (continued)		
12:15 pm - 1:00 pm	Awards Lunch		
1:00 pm - 2:30 pm	<p><b>Norma Ginther MSW, LISW:</b>  <b>Transitions Across the Board</b></p> <p>This workshop will look at transitions that build attachment and are developmentally appropriate. Norma worked in investigation, foster care, adoption and foster-parented teens and will be sharing her perspective and ideas for successful transitions.</p>	<p><b>Glen Hanson, PhD:</b>  <b>What are They Thinking?!?</b></p> <p>This workshop will focus on the influence of drugs on parents' cooperation and how behavior and attitudes change while under the effects of drugs. Workshop goals will be aimed at helping caseworkers adjust their approach to these people so that they can effectively engage with them to achieve positive outcomes for families.</p>	<p><b>Nick Tsandes, LCSW:</b>  <b>The Science of Attachment</b></p> <p>This workshop will focus on working with young children, the attachment system, risks and protective factors, the parent-child relationship, and visitation and reunification issues. Nick will use clinical examples, audience participation, and experiential exercises.</p>
2:30 pm - 2:45 pm	Break		
2:45 pm - 3:45 pm	<p><b>Barry Richards, LCSW</b>  <b>Burnout or Secondary Trauma?</b></p> <p>One of our own, Barry M. Richards, LCSW, is bringing his private practice as a healthcare educator in the field of clinical traumatology to our conference. This workshop will focus on the powerful influence for steady healing after trauma, which can occur when those who are initially responsive to aftermath needs know what is vitally necessary to do and say in order to minimize and/or prevent problems and prolonged difficulties---at work, home and recreation.</p> <p><b>(Auditorium)</b></p>
